- 1 From the pub, turn left past river terrace and walk straight ahead through the car park. At the end, pass through gap ahead (see
- A assist) past footpath sign and on to path.

Walk through trees for 80 yards, cross stile and head up on to the

- embankment. Bear left and follow tow path with reed beds and river Arun to right.
- Follow path for 500 yards

 and, with bridge to right, cross two stiles. Continue straight ahead on path with river to right. 120 yards on, cross another stile and continue on
- **B** embankment (see assist),
- 4 passing water meadows to left.

With South Stoke ahead and South Downs in the distance, stay on embankment and cross another stile. Path bears right following river and

5 passes South Stoke 300 yards to left.

Path curves steadily left. Cross stile and continue for 200 yards to the bridge ahead. Cross stile, turn left on to track. Head gently uphill past flint walls to left.

150 yards on, track bends left on to lane. 70 yards ahead, bear right

at junction (see assist). Follow lane steadily uphill for 400 yards then lane levels off and heads downhill.

> 300 yards ahead, lane bears left and heads uphill again. Pass trees to right for 250 yards and lane levels off. Continue ahead for 250 yards and lane bends sharply left.

Follow gently downhill for 200 yards and turn right at lane junction. Follow lane through deep cutting past trees and fern banks.

After 180 yards, lane heads gently downhill. River Arun and Arundel Castle come into view.

Follow lane for another 200 yards, pass flint cottage and turn left back to the Black Rabbit for some well deserved refreshment.
